“ *My sympathy to Larry's family. Larry and I graduated from High School together. Dolly and I had the same chemistry class, when Mr. Dowling blew the windows out of the chemistry lab, and I buy Strawberry's from Rudy Patch. I also knew his parents as we lived in the same community growing up. What good old memories I have of the family.*

“ *Larry will be missed by his family, and friends. I played cards with Larry over the past five years. My thoughts and prayers go out to his family, especially his brother, Rudy who was in my graduation class.*
