“ I was a classmate of Larry's and always enjoyed being around him. I have had the privilege of corresponding with Larry by email for the last 5-6 years. I enjoyed his sense of humor and became aware of his great integrity and honesty. I hope that we will continue to remember him in a most gentle way. May God's eternal blessings continue to be with his wife and family.

“ We had our 55th BCH Class reunion this past September and remembered Larry and wished he had been able to attend. Everyone had fond memories of Larry and wished him well at that time. I have informed our classmates by e-mail. Prayers to Larry's family.
