

Lee Baxter

September 19, 1925 - August 27, 2015

Lee Baxter, 89, of Avoca, Wisconsin, died peacefully with his family and dear friends at his home, in Avoca on Thursday, August 27, 2015. Lee was born on September 19, 1925 in Richland County, Wisconsin, son of Leland and Thalia (Ewers) Baxter.

Lee served in WW II from 1944 to 1946 in the Navy as a signalman First class aboard the USS LSM 183. After the war, he returned home to work in the family cheese business. He married Betty Hayes in 1950 and they had one daughter, Cheryl. Lee became the Avoca rural mail carrier from 1959 until 1988. People appreciated Lee for the many acts of kindness that he did on the route. He also played an important part in Betty's dance school. He loved working with the children teaching tumbling, and they loved him. One of Betty and Lee's favorite things to do was to waltz across the dance floor together. His pride and joy was following his daughter Cheryl and his grandson Ellington in their professional careers in Los Angeles. He loved football and was an avid Packer fan. Lee was a member of the American Legion Post 335 of Avoca, a 50 year member of the National Rural Letter Carrier's Association and belonged to the Avoca Methodist Church. He was a former member of the Avoca Development Corporation and Lee and Betty were involved with many local celebrations. He loved the view of his Avoca hills and the beautiful valley that he lived in.

He is survived by his wife, Betty; daughter, Cheryl (George) Baxter-Ratliff; grandson, Ellington Ratliff; brother, Lionel (Joanne) Baxter and nieces and nephews. He was preceded in death by his parents, and sister, Phyllis Livingston. .

“ I remember Lee teaching our three little ones, ages 4, 4, and 5 tumbling and stretching. Our oldest, of course, had to always get it just perfect! She wanted to please Lee and do it just right. She would practice it at home, as would the twins, and they would always be anxious to show him what they could do the next week. They loved him so. He was a wonderful, wonderful man and touched everyone he met. I remember when I was married, we were trying to learn the waltz, and Lee waltzed with me to teach me. He was a wonderful waltzer, and it was so easy to learn it from him! He will be dearly missed by so very many. However, as I look up at the stars, I know he is shining brightly! My prayers are with you, Betty, as will in the times to come now. My condolences also to Cheryl, their wonderful and dedicated daughter. Love, Ardie.

“ There are not adequate words to express how much we loved Lee. The area has been truly blessed by both Lee and Betty. I enjoyed every dance recital that Liz was in from age 5 thru graduation, but there was that one really special one that Lee and Betty talked Chuck into being in (tutu and all). Chuck talks so fondly of the bowling alley days after Betty's evening classes in RC. Healing prayers from both of us.

“ *Dear Betty, Cheryl, George & Ellington,
Our sincere and deepest sympathy in the passing of such a beloved husband, father, and grandfather. Lee is considered such a dear friend to generations of dance students in so many communities that his kind, gentle, loving nature will continue to be remembered by all the lives he so positively touched.
Our third generation (granddaughter, Gabi), just had her dance photo published in a magazine. So not only is she a super good/adorable dancer, she received this honor as well! This can be attributed to Lee & Betty and the positive role they played in our live.
. .all the way back to 1968!
Please know that our love and prayers are being sent to you!*

“ *Betty, Cheryl and family*
Our deepest sympathy for your loss. Lee was a great man and I have many fond memories of him as a young girl. I remember him as our mail man and a helper to all the dance recitals. He loved to talk and made everyone he met feel special.
My sons and husband also had the pleasure of meeting him and getting to know him. He was loved by all of us. He lived a full, rich life and created special memories for everyone.
When someone you love becomes a memory, the memory becomes a treasure.
May the concern and sympathy of those who care help you through this difficult time.

“ *Betty, As a little girl in your dance studio back in the 80's we were all so blessed to not only be exposed to your lifelong passion for dance but also the loving relationship you shared with Lee. Tumbling time with Lee was just as enjoyable as then proceeding to our dance time. Thoughts and prayers to you and your family. God Bless You all as you celebrate Lee's life. We all look forward to rejoicing and dancing on the streets of heaven with Lee someday. Take Care, Tomi Ann Nice-Gebhard*

“ *Lee Baxter was one of the kindest, gentlest men I've ever known, particularly when teaching a non-athletic, chubby little girl how to do a backward somersault. Our thoughts and prayers are with you, Betty and Cheryl, as you learn to navigate life without your wonderful husband and father.*

“ I can go back 63 years where my memories began with Lee & Betty 😍😍😍 I was 3 yrs. old and started my dance lessons. Lee & Betty were working together and then the Love bug bit them and they were married. I can remember My parents, the Beckers, & Betty/Lee would do things together. I took dancing lessons for 10 yrs. and then my granddaughter has been taking lessons and now 2 granddaughters are. I love keeping contact with the Baxters. I had such a nice visit with Lee a year ago. New memories are being made with your grandson and R5. The girls go to his concerts when they are in the area 💖💖💖💖💖 What would do without memories 🌹🌹🌹🌹🌹 I send my Love and prayers 🇺🇸🇺🇸🇺🇸 You know he will be with you in your heart forever ✨ ✨ ✨ ✨ ✨
