“ To the family and friends of Leonard E. Sperry, another Comrade has been called to the high command. He has gone to the commander of us all. We will be present to Honor the memory of one who had offered his service to our country in a time of national need, who is now enrolled in that great spirit army whose footfalls cause no sound. But in the memory of man, their souls go marching on. Because of them, our lives are free, the world is blessed. Our deepest condolences from Bower-Gunnill-Dalton VFW Post 2267, Richland Center, WI.

“ Lenny was a very generous person in my life. After his son Mike, who was my best friend as a child, moved from Madison to Avoca, Lenny would pick me up in his VW bug in Madison and drive me up for the weekend to their home to spend time with them. He would whistle and sing songs the entire ride up. Wouldn't have missed a trip in that bug for the life of me. RIP.
