“ Dan and I were so sorry to hear about Lucille. No matter how long you have your mom, it is never enough. When they pass, there is a piece of you that goes with them. I lost my mom 6 years ago, and there is hardly a day that goes by, that I don't miss her. Your mom was blessed to have 3 wonderful daughters, that loved and cared for her. Life goes by so fast, and the memories become even more precious. Some of my fondest memories are of going to Bubby's for Christmas. Driving up the long driveway, walking in, and taking in all the amazing smells coming out of the kitchen. A big table full of food, lots of talking and laughing, and all the kids running around. Your mom was such a good cook, and her desserts were always the best! I came from a small family, and I loved the big old fashioned family gatherings.

Your mom will always be with you, in the many special memories, the words you say, and the thoughts you think. That itself is a loving legacy.

“ I remember “Grandma” Fanta watching us cousins play and goof around while we visited with Bryan and Angie and Bradley. She had a soft friendly inviting smile and a soft chuckle as she watched and listened to our shenanigans. She shared her smile and lightness with our aunt Donna. She will always be a part of our fond childhood memories in Hillsboro. Love, Blythe

“ So many memories of Lucille--her great cooking, her beautiful quilts and sewing skills, her hard work on the farm, her beautiful flowers (I learned from her you could grow carnations in your yard), her bravery in driving down the road from the fields on the ridge. Best of all her raising of three beautiful daughters. May she now rest in peace after a long life well lived.
