“ *My sympathy to Maggie’s family.
I guess I knew Carol and her children the most of the family.
I know how hard it is to loose a loved one. Will be thinking of you in the coming days.*

“ So sorry to hear of your mom's, grandmother's passing. I remember her most from my growing up years, fishing and visiting on the farm. I'll remember her most for her sense of humor and that twinkle in her eye. A very special sister to my dad for sure.

“ Janice, Carol & Fred, We have so many happy memories of Madeline. Well, she was Maggie to us. If we get back to Wisconsin in time, I will bring you some pictures of the "Cooper Girls & Siblings" that is in my Mother Mabel's album taken at Fiddler's Green. I remember the fun times we had as kids at sleighriding parties at your farm. Madeline fixed lots of delicious food for us. After Maggie & Arlis moved to Hwy 14, my family lived in the valley behind them. She would walk back & visit. She knew where there was a good Duchess apple tree in the valley & Cindy & Shaun would go with her to gather apples. Fun Times & Happy Memories!
