“ We have so many fond memories of “MA,” it is very difficult to choose just one. She always had a smile and was the embodiment of kindness. The only way she could have been a better person was to be made into Angel.

*So sorry to see that Marie has passed. We'll never forget all the family reunions at the farm and hanging w the Pauls family. I loved your mother's gentle, lively spirit and quick wit. That along w her deep inner strength made an impact on me as a young girl. Hence, the middle name of my younger daughter is Marie. Sending Best Love to the Paul's family, Jill Beyler Odegard*
