“ Pam, Cameron, Tim and Kim my thoughts and prayers are ongoing for you all. I can't remember a time your Mom and Dad haven't been apart of my life. When Pam and I were in kindergarten, we had to know our parents names. I didn't know mine but I DID know yours. Then there was the time Mom caught me heading down the road to your house. I must have been 5 or 6 maybe. It's memories like these that we can take out and look at in the days, months and years to come.
Love ya guys,
