“*Mary was such a joy to know. I didn't know her long, but every time I went to work and brought my daughters in to see when, she would light up. Even on rough days, she could always make me smile. I was very lucky to know her. I was blessed to have her in my life, though it was a short time. My condolences to your family. I am confident she is with God and in a better place.* ❤️

“*My thoughts and prayers for this wonderful woman - have known her since my childhood. She was a part of my life in so many ways - Her husband. John was such a font of knowledge on the history of our community. Mary and her daughter, Karen, on several occasions had lunch together in Platteville, Muscoda, and Richland Center*

*Among my keepsake items are several recipes she shared with me. I will truly miss her lovely laugh and visits we had over the years.*

“*Mary was so good, kind and encouraging, always; my latest and fondest memory, among many, was an extended talk we had at Jim Leitl's sharing of memories gathering at the Platteville Country Club where son David had brought her. Our thoughts and prayers are with you, and may you have many good memories to carry you through this time. Tom and Pat Jonas, New Richmond, WI*
