“ I first met Matt while working at the Bureau of Indian Affairs. I remember him knowing all the great spots to hike and rock climb. I was fortunate to get out a few times with him to hike. The photos here show one of our hikes at old rag mountain in Shenandoah. You couldn't have met a nicer person who was always there to offer a helping hand. I will miss you my dear friend.

“ I worked with Matt during his time as BIA. He was always so funny, happy and very talented. I remember when he became a government employee from a contractor how excited he was. I will miss out work chats and just talking about life in general at the gym at work. Matt was an amazing person who touched more lives than he realized. I know many will miss him from BIA.

When Matt came to visit, he would jump into whatever we were working on or doing with enthusiasm. He was always up for any adventure and so very wonderful to be with. My life is blessed to have experienced and witnessed Matt's bright light of kindness, adventure, and thoughtful compassion. “ *My deepest condolences to Matt's family and friends. I am honored to have Matt in my life with numerous memories, adventures, and meals with Matt. He always had such a love for the outdoors, food, and a knack for learning and adventure! We hiked and ate a lot over the years and I always looked forward to our next adventure whenever I'd return to Virginia for a visit. I would love to hear more stories about him and share my own memories of him. With sympathy, Phil*

“ To Matt's Family and Friends. I was the servicing HR Specialist and had the privilege of working with Matt in getting him on board at USDA. He was the nicest, most respectful young man whenever we would email or talk on the phone. I was so very sorry to learn of his passing, such a great loss not only to you - his family and friends, but to his USDA family as well. You are in my thoughts and prayers during this sad time. May your memories and Faith give you peace and comfort during the tough days ahead. Matt will definitely be missed.
