“ Jan, Lisa, and Lori,

I just wanted to say how sorry I was to hear that Buck passed away. He was a great man, husband, father and grandfather. He always seemed to enjoy his life to the fullest and he was always kind and welcoming to me. I can only hope that Tanner can carry on such a fine example for the Ferguson name.

“ Jan you have my sincere sympathy and Blessings. So sorry we have lost contact over the years. So many things have happened over the years. I was a victim of attempted murder in March 1988 when I was left handicapped from three shots from a 12 gauge shotgun. I lost Harold in April 2011. Now I'm struggling with late stage lung cancer. So sorry I was unable to make it to the visitation today. Dorothy is staying with me and takes me to my doctor appointments. I am so happy to have her with me. Pray you and your family are doing O.K. Life goes on regardless of the loneliness, just hang on to all the good memories and things will be fine. Would love to see you sometime. Long lost cousin, Charlottea

“ "Buck" you will be missed greatly by all. The heavens must have needed another great fisherman, a great hunter, a great family man and an all around great person always willing to help, where ever needed! I can still remember to this day, years after you went back home, stopping by your house, sitting on the back porch and hearing you tell me and my father the fishing stories from the mornings catch! I enjoyed everyone of them! Also thanks for all the great salmon fishing tips, you have helped make my father and I the salmon fishermen we are today.
Jan, on behalf of my family, our thoughts and prayers go out to you and your family. We may be a few miles apart but you are still in our hearts.

“ Buck was never "Maynard" unless you needed his undivided, direct attention!!! Speaking for all of his cousins, Buck was much more than a cousin, he was like a brother, a friend, a mentor and someone we all enjoyed being around. All one had to do was ask for a lending hand and Buck was right at your side. A very, very good man, whom we are proud to call family. Buck will always and forever, be in our hearts.
