“ I want to express my sympathy at your loss. I remember family picnics at the Mellems when younger and home made ice cream. I hope you all have many happy memories also.

“ Mike was my big brother. I have loved him for my whole life. He called my husband or me most weeks from all over the U.S. His stories and travel experiences were entertaining and amusing. He can't call us now because since Heaven is perfection, he can't know of the sorrow he has left us. But that is okay, because now he can feel the greatest and unending love of Jesus and see His face everyday. Now you are walking pain-free on those streets paved with gold. We will miss you bro, but will keep you in our hearts forever. Now our hope is to see you there when we come.

“ Mikey Mellem was a large man; large physically, in humor, in generosity, and in the distance he would travel to aid a friend. Even a loan, until payday, if needed! Mike shared his trust in Jesus, prayer, and miracles with me and I know hs faith has now been confirmed.  
Catch up to you at the next stop, Mikey!
