

Orlen Eugene Richards

January 28, 1934 - April 6, 2020

Orlen E Richards, age 86, passed away on Monday, April 6, 2020, at the Richland Hospital due to complications from Myasthenia Gravis, a condition he suffered from for many years, but did not let it slow him down. He was born January 28, 1934, to Alta and Clyde Richards and raised on the rural farm north of Ithaca. Orlen graduated from Ithaca High School in 1952 after receiving the State Farmer Degree from the Future Farmers of America, he promptly married his high school sweetheart, Alice Winslow.

Orlen farmed for many years on the family farm. He and Alice were recognized as the Richland County Outstanding Young Farmers in the late 60's and hosted the Richland County Holstein Twilight Meeting in the early 70's. During this time Orlen served on the Consumers Coop Board of Directors for over 15 years, the Associated Milk Producers Board of Directors, the Ithaca School District Board of Education, and for over 25 years he served on the Franklin Farmers Mutual Insurance Company Board of Directors. Beginning at the age of 16, Orlen began playing piano and organ at the Willow Valley United Methodist Church for services, he taught Sunday school and served on many committees for the church. Early in his life he also took over the Richards Insurance Agency when in 1959 his father passed away. He became the 3rd generation serving neighbors and friends through the business his Grandfather, O.E. Richards, started and that continues today.

In the late 1980's Orlen increased his time dedicated to the insurance business and took over the dual role of caregiver and tiger-wrangler of daughter Joy. For 11 years he was the primary caregiver for Joy, a role he was well suited to fill with his extensive patience and empathy for others. Since keeping Joy under control was only a $\frac{3}{4}$ time job he took on bus driving duties at Ithaca Public Schools driving many children to the school and their sporting events. After 30 years of driving school bus he retired to a celebration typically reserved for returning championship sports teams.

Survivors include his wife and life partner Pastor Alice Richards, 1 daughter and 3 sons, Annette Louis, Ron Richards and his very special friend Debbie Mitchell, Robert (Cheryl) Richards, and Marty (Teri) Richards. 10 Grandchildren, Chris Louis, Bret (Carrie) Louis,

Aaron Richards, Courtney Richards and fiancé Kyle Hemphill, Owen (Emmy) Richards, Jenny (Brian) Waldner, Nathan (MacKenzie) Richards, Holly (Chris) Hoagland, Laurel Richards and special friend John Archiquette, Leah Richards, 5 German and Swiss Exchange Grandchildren, 14 Great Grandchildren with one on the way, brother John (Lynette) Richards, Sister-in-laws Ruth (Neal) Anderson, Mary (Jim) Connors and cousin Paul (Barb) Denman.

He was preceded in death by a daughter Joy Richards, Grandson's Gene Phillip Richards, Kyle Richards, Sister-in-law's Charolette (Tom) Williams, Carol Amelong, and close cousin Eleanor Poole.

Our Dad was a remarkable man, he brought meaning to the term "Servant Leader" before it was a term used in corporate circles to coach executive's leadership styles. He was not one to seek credit, strongly dispute philosophies of the organizations he served, or strongly debate with his children regarding their life decisions, (That was Mom's role). Dad was more one to come along side of everyone and support through actions and tasks. Everyone liked and respected him, and he liked and respected everyone he met.

A graveside committal service will be held on Sunday, August 9, 2020 at 11:30 AM at the Willow Valley Cemetery in Ithaca Township. Memorials may be given to the Ithaca school foundation and the Willow Valley United Methodist Church.

“ I want to share how wonderful it was whenever Orlen and Alice were able to visit with my Mom Mary Rose Gallagher before she passed a few years back. Having been such a long term cousin and friend of Mary Rose, Orlen was able to relate really magical moments/ memories from their youth and along the path of their friendship. The best memories of my Mom's latter years were those when her face lit up as Orlen told normal happy times of sitting under the apple tree and reading or just talking.

Alice, Annette, Ron, Robbie, Marty, Orlen was a very special, hardworking, family-oriented and kind man with a big heart. I really appreciate all the wonderful times my brother Don and sisters Beth and Sandy got to share with you all hosting us city kids on the farm in Ithaca. I was never more proud than when Orlen would take a moment from his busy farming day to let each of us ride up with him on the tractor.

Most of all, thank you again for sharing Orlen with my Mom who appreciated more than you know the memories he shared in his kind thoughtful way as she just remembered smiled at Orlen.

Our condolences in your loss. We hope to see you all in August.

Best,

Dave and Mary Beth Arnold

“ Orlen was a wonderful support to my ministry at Willow Valley. He loved his church and would do anything to support it. His dedication especially to Joy, but also to others in his family made him a true model for fatherhood and what it means to be a Christian in today's world. He will be truly missed. Jeanne Jones

“ Orlen was there when I first joined Rob's youth group in Junior High. He and Alice hosted many prayer meetings and Bible studies and helped so many young people stay on track! He was instrumental in guiding and mentoring my children and so many others. He will be as sorely missed as he was sincerely loved.

“ We feel so fortunate to have known Orlen. He was the best bus driver our kids could ask for! Proof of his love, patience, and kindness, so many members of his family have been irreplaceable in our family's lives. To Alice, Rob, Annette, Jen, and all of the others, we are so sorry for your loss. To lose such a wonderful person in this time of social-distancing is extra painful, we hope to be able to gather and remember this wonderful man before long. May your hearts be light with the many wonderful memories Orlen will always be a part of for so many of us.

“ Orlen was such a special person. Quietly observing everything but not missing anything.. I don't think we ever saw him without a smile on his face. When I think about how many young lives he touched in the community, I am awed. We will miss him very much. Our love to the whole family. Thinking of you all.

“ My sympathy to the Richards family. I knew Orlen from childhood when his parents played in the community band with my mother Elizabeth Sippy Spangler. Since my mother's family was from the Ithaca area we kept close ties to the community. Music was our common denominator. I'm sure his good works in the community will be remembered for many years.
