“ *Paislee Loomis,
The acknowledgment of a created life is one that is celebrated by all.
Paislee, day after day, even after death, you are praised by at least one.
My acknowledgment of your life being the savior of mine is both my treasure and my guilt.
It is my conquest of good verses evil.
The kiss to my fight.
My life into a death.
Your life is literally half of all that I am, but you will never know that.. therefore changing the experiences of those stories are my treasured goal, and for the latent acknowledgment of that goal I feel guilt.*

*I love you.
Your Father,
Christopher J. Barebo*
