Your Momma was such a wonderful, sweet woman! She will be missed by me and my kids! She always made us welcome and she gave Dylan a Grandma (by heart) when he didn't have any left of his own. ❤️

“Patty and I were always very close. When I would have a bad day I could always call her. My fondest memories of her was being a little kid on grandma and grandpa farm sitting in Pat's room with her playing Beatles recorders and hoping she would get a pizza. Going to miss her dearly.

When I read Pat's obituary, it did not register with me at first. I feel I was very lucky to work with Pat at Go America. We worked hard but we had alot of fun. She taught me alot. Now you can rest Pat. I will miss not seeing you at the laundry mat.
