“ *I wish I could have gotten to know you more Pat while you were still on this earth with all of us, you seemed to be a very nice person. We could have been good friends, shopping and having morning coffee together. You have a wonderful family, I'm glad Carl and I know the rest of your family as well as we do. We'll keep watch over them, I'll keep making your husband his meals once in awhile so he won't starve, put some meat on his bones. Rest in peace now Pat and know we are all thinking of you today and always! Your friends, the Orloffs*

“ To all of Pat's families,  
I extend my heartfelt sympathy to all who mourn her passing.  
Pat has been a good friend of mine for years. When I started working at Allen Bradley she wanted to be my babysitter. I must say she took wonderful care of Theresia and Duane. They enjoyed going there and playing with Rick, Lori and Mary. I remember Pat as being a hard worker and her favorite pass time had to be decorating cakes. She took pride in them and they were very delicious!  
One time Pat dressed Duane up like a little girl. He had the curls for it and she got quite a kick out of that.  
I will never forget her friendship. May she rest in the Lord's peace.

“ Frank,Rick,Lori, Mary, and family,  
  
I'm so sad for your loss and pain, try to remember the good times.  
She will be in your hearts and minds forever. Now you have a guardian angle looking over each and everyone of you.  
I remember the birthday cake Pat made for my 10th birthday it was so amazing.  
I was a tag along on a field trip and she spoiled me like I was one of her own.  
I loved going trick or treating there as a kid and later on with my kids. She always had a smile and a hug for me.  
I look forward to Christmas every year, I get a Christmas card with a note from either Pat or Frank that means a lot.

Your in my thoughts and prayers.

“ *Frank, Rick, Lauri, Mary and families*

*Sympathy goes out to all of you. Please know she is in peace.*

*I remember all the good times our families had over the years living  
just a short walk away. Our kids grew up together snowmobiling in  
the winter and unloading hay bales in the summer, ball games, etc.*

“ *Frank and family,  
So very sorry for your loss but just know that she is at peace now.  
Having grown up neighbors and being friends with Mary, Pat was  
like another mom to me. I was very saddened to hear not only of her  
illness but of her passing as well. May happy memories console you  
all at this time of grief.*
