Ralph W. "Bill" Shireman, age 74, of Richland Center died Wednesday, April 15, 2020, at St. Mary's Hospital in Madison. He was born on September 29, 1945, the son of Ralph Henry and Helen Francis (McNelly) Shireman. On September 1, 1978 he married Philippine "Judy" (Anderson) McBain. Bill was raised on his parents' farm in Ash Ridge, attending Pleasant View School, and graduating from Viola High School in 1964. Shortly after graduation, Bill enlisted in the U.S. Army, where he got his start in the medical field, becoming trained as a medic and a laboratory technician. Bill was stationed in Okinawa, Japan. He was discharged in 1967, but later re-enlisted in the U.S. Army Reserves in 1976. During his service in the U.S. Army Reserves, he was deployed to Germany during Operation Desert Storm, and he served in Guatemala as a part of Task Force Timberwolf. He retired as a Master Sergeant after over 30 years of service to his country. After returning home from his active military service, Bill worked in the lab at the Badger Army Ammunition Plant. He was a laboratory and x-ray technician at the Richland Hospital for 18 years. Bill attended Southwest Technical College and received his L.P.N. degree, and then received his R.N. degree in

1992. He was employed at the William S. Middleton Memorial Veterans Hospital in Madison for 29 years, before his retirement in 2014. Bill was an exceptional nurse who enjoyed taking care of other veterans. Bill also served Richland County as a deputy and elected coroner for many years.

After retirement, Bill was able to dedicate more time to some of his favorite pastimes: hunting and fishing; visiting his grandchildren and cheering them on at their sporting events; attending auctions; having coffee, doughnuts, and conversations with friends; reading; traveling; and spending time at the farm with his Minneapolis Moline tractors. Bill continued to serve his community as a member of Richland County Crime Stoppers, American Legion Post 13, and the 40 et 8 Voiture 1268.

Survivors include his wife Judy Shireman of Richland Center, WI; three children, Rachel (Mark) Turgasen of Richland Center, WI; Rochelle (Joshua) Cornell of Ayase-Shi, Japan; Raquel (Jason) Fry of Dubuque, IA; seven grandchildren; Logan, Delaney, and Landon Turgasen of Richland Center, WI; Behati Cornell of Ayase-Shi, Japan; Elliott, Cameron, and Morgan Fry of Dubuque, IA; three step-children; Cheryl Marshall (Mike Cook) of Richland Center, WI; Charles Jr. (Jennifer) McBain of Bayfield County, WI; Christine (Gregg) Schmitt of Richland Center, WI; seven step-grandchildren, Whitney (Bill) Toney of Cashton, WI; Ashley McBain of Arena, WI; Colt Watson of Madison, WI; Charles III (Grace) McBain of Longmont, CO.; Chay, Gabriel, and Grayson Schmitt of Richland Center, WI; step great-granddaughter, Marlena Tony of Cashton, WI; two sisters, Cindy (Leo) Kraft of Solen, ND; Kristi (Joe) Durst of Sextonville, WI; a brother-in-law, Bruce Perkins of Viola, WI; and many nieces, nephews, other relatives and friends.

“ My sincere condolences to Judy (my former Hardees coworker in the 1980s) and her son Charlie (my friend and teammate). As a person with no shortage of commentary, I remember and admire Bill has a thoughtful man of fewer words that were worth listening to. While not recently, I remember interesting conversations with Bill that were always wide ranging. I last crossed paths with Judy and Bill at the Family Restaurant, several months back. Judy approached and we spoke, and I waved at Bill in the booth. I regret that I didn't have a chat with him.

Sympathy to all of the family. I am very glad I was able to see him a couple of years ago. I don't get to see the family very often due to living out of Wisconsin.

“ Bill was a good man. I know him as my friend, Judy's husband and I know him because he joined us on our trips to New Orleans. But one of the things that I remember is that when my daughter was a nursing student at MATC, doing her clinical at VA, she worked in Bill's unit. She didn't know him as my friend's husband at that time, but talked about what a great, patient teacher he was. Now that's a great legacy to leave.

“ I was shocked to hear this sad news. I loved working with Bill at the VA. He was very helpful. I could always count on Bill. He as an excellent nurse. He loved his wife and his kids/grandkids. I enjoyed listening to his stories at break time. Bill was a caring man and he took the time to come to my husband's funeral service. You have my deepest sympathy and a hug over the internet. An extra hug to Judy as I know how hard it is. I went through a lot of tissues. Il plan to attend his service in August and will remember you all in my prayers

Press on toward the goal!

“ Bill welcomed my brother & I into the Shireman family. So warm & friendly. Shared stories of everything. We enjoyed deer hunting and stories with him for many many years. Chuck & I always felt like honorary members of the Shireman family. And what a great family it is. We share in your sorrow. May God bless him and welcome him into his arms in heaven.

Bill's older sister, Darlene, was my best friend from age 4 on thru our high school years. We had sleepovers at each other's home during that time; her family was an extension of mine, and vice versa. Billy became my kid brother, by default. He had, even that early, a lively imagination and sense of curiosity. Although, due to time and distance, our lives hadn't crossed in many years, he's as present in my heart as Dar, and will not be easily forgotten. My deepest sympathy to his family for your loss.
