“ So sorry to hear of Ralphs passing. With Dads passing on the 22nd our focus was understandably elsewhere .I know Ralph and Dad were good friends both at Kraemers and away from Kraemers andThey both shared a passion for farming. I had the pleasure of working with Ralph for several years at Kraemers and remember his smile and wonderful sense of humor Our deepest sympathy to the family.

“ TO MY DEAR AMY AND KLINGERMAN FAMILY,

Its with regret that I could not be with you. We do not chose when our time to go, I just feel bad as I would of loved to see my family all together.

I remember Ralph as I was growing up, he had the CZECH SPIRIT, always laughing and go lucky. Remember visiting with my parents he had a bike and I did not, so he let me ride his bike. Remember MY AUNT, always had something cooked up when we came for SUNDAY DINNER, in those days never an invite just dropped in, we had chicken dinner and all the trimmings. There many more memories, there were hard days, people worked hard, and very poor, but us kids never knew it, caused we were loved, plenty to eat and a place to lay our head.

Amy, am coming north this summer, LORD willing, spend some time together, both lost our LOVES, call me we can cry together.

GODS BLESSING ,
