“ Judy and family, What a wonderful reunion in Heaven that must have been, when Robert met his mother Lena at last. Lena's son's Darel and Gale were there to welcome Robert also. Gale passed away in 2007 and my husband of 54 years, Darel, died in 2015. Bob was a kindly, soft spoken man and so generous to all. My prayers go out to Judy and all the family in this time of loss. I know the memories are sweet for you and that is all we get to keep anyway. Bob looks so much like Lena and Ila, it's remarkable. Blessing to you, Sandy Smith

“ A life changing event occurred when I found I had a big brother. My life was enriched in so many ways as I was able to get to know him, love him and his family. So many memories to cherish from our visits to Wisconsin, Idaho, Utah and Alaska. I think of my niece and nephews as Robert joins our mother at long last. Mourn and cherish the memories. I wish I could join you at the service but distance keeps me home. I will be with you in love

I remember visiting Uncle Bob and Aunt Judy when they lived in Salt Lake City. We were stationed at Hill air Force Base and we're young newlyweds. We were always welcomed and had such a good time. What a treat it was to learn that we had another uncle. I can only imagine what a precious reunion it was when Lena met Uncle Bob in heaven. May the Holy Spirit be a comfort to you. Deepest sympathies from me and my family.

“ My prayers go out to all of the family. I didn't know him as well as I would like to have. I will always remember the weekends in Idaho with Pam and Aaron. He was a kind gentle soul. May God be with you and give you peace and comfort at this time.
