“ I was just a little squirt and Bob was my uncle. He was major influence for good in my life. I think of Bob almost every day of my life. Kindness and patience. If there were more people like My uncle Bob {cousin} a man who really walked with God, This world would be a much better place. I loved that man dearly and looked up to him. I feel special and blessed forever in life by him. Robert A Luebke Jr.

“ It is now Minnesota State Fair time and I find myself consumed with the amazing memories of Bob's vacation here at my home every single year....years of going to the Fair, a very "specific" eating pattern we followed to a T, the Rennasaince, dinner boat trips on the St. Croix River, garage sales, shopping at Good Will, taking the kids to the zoo, fish fry, and so much more every year . The last time he was here, he was not well and I feared he would not make another trip which he did not....then he was so sick. This year I have just the memories and find myself so lonely and long for his company....Bob gave me so much all our chilhood and later adult life . I am so grateful for all the years we had.....the memories are everywhere in this house . Missing you, dear Bob !!! -:(

“ I met Bob when i worked at kwik trip several years ago. He came & always did the outside trash. Even if you were not looking at the clock you always knew what time it was. He was a very friendly man. He cared alot for his family. Rest in peace.

“ I am sorry for your loss. I grew up in Onion Hollow. He was our bus driver and I always felt safe when he was driving. He was a very friendly person and I enjoyed talking to him on the bus. He was a truly nice man and fun too.
