

Robert & Josie Dobbs

September 18, 2015

Robert “Bob” & Josie Dobbs, age 67 & 68, died suddenly from a motorcycle accident in Tomahawk, WI on Friday, September 18, 2015. They were married September 18, 1993 at Dalewood Retreat near Sextonville.

Robert James (Bob) Dobbs was born on May 31, 1948 to Robert and Juanita (Coleman) Dobbs. Bob graduated from Ithaca High School in 1966 and married his high school sweetheart Cheryl Olson in 1967. Together they had three children: Tori, Brooke, and Tyann. Later in life, Bob married Josie and together they had a daughter, Bobbie Jo. Over the years Bob had many occupations but was a true entrepreneur at heart. In his early years, Bob worked with his father at Ryan Construction. For many years he ran his own over-the-road trucking company called Dobbs’ DD Express. In the early 1990’s, Bob and his son Brooke and friend Marc Schwarting started BB& M Landscaping (later known as Richland Landscaping) which has been in operation until the time of his death. Bob had always wanted to have his own bar and most recently he and Josie were the owners of the Steel Horse Saloon in Gotham. With their easy and welcoming personalities, they quickly built a great business and the Steel Horse became a very popular gathering spot. Bob never met a stranger and was truly known to be a friend to anyone and everyone. There was never a moment when laughter was absent when Bob was around. He had a goofy sense of humor and was always sporting a big, beautiful smile. Bob had a huge heart and went out of his way regularly to help anyone in need without ever expecting anything in return. He was always willing to give anyone a second chance when others would not. Bob’s greatest love was his family and he enjoyed organizing family events including the annual Dobbs’ campout, getting together for Sunday dinners, or going for a motorcycle ride with his kids. He lived for and made the most of every day of his life.

Josephine (Josie) Ann Dobbs was born on June 25, 1947 to Albert and Constance Garcia, the eldest of seven children. Josie graduated from Richland Center High School in 1965 and for a period of time she attended teacher’s college in Richland Center. Eventually she moved to Waukesha where she worked for several years at La Casa de Esperanza. When

Josie returned to the Richland Center area she worked as a waitress at the White House Supper Club and then began working for U.M.O.S., where she was employed for over 20 years. Josie was a beautiful person, inside and out. She was very social and outgoing and loved to visit with friends and family. She was a very giving person and often assisted families in need. She had a good sense of humor and loved to laugh. Josie had many interests and was involved in softball and ice-skating in her younger years and most recently enjoyed bowling on a biweekly league. Josie's pride and joy were her children (Cory, Shileen, and Bobbie Jo), step-children, and 12 grandchildren and she was very often seen sharing photos and stories about them to her friends and customers.

Bob and Josie were very deeply in love, true soulmates, and it was rare to see one without the other. They worked together at the landscaping business and together shared their love of people by opening the Steel Horse. Bob was a constant source of laughter for Josie and she was his right-hand. They lived life to the fullest and it was often mentioned that they had more energy than most twenty-year-olds. They were very spontaneous and often took last minute trips to destinations near and far. Bob and Josie were avid motorcycle riders and went riding every chance they got with many friends and family. They were together for over thirty years and together raised six children that were the center of their lives. They will both be very dearly missed by all.

Survivors include 5 children, Tori Dobbs (Nick Wilson) of Richland Center, Brooke Dobbs (Shelly Reyzek) of Richland Center, Tyann (Kurt) Schwarting of Madison, Cory (Carmen) Kurtz of Marshall, WI, Bobbie Jo (Scott Wilson) Dobbs of Los Angeles, California; 12 grandchildren, Jaron Wilson, Tehya Dobbs, Liam Schwarting, Emma Schwarting, Taryn Schwarting, Avery Kurtz, Spencer Kurtz, Ryder Kurtz, Mercedes Dobbs, Dakota Juno, Quinn Juno, Tatum Reyzek; Bob's 6 brothers & sisters, Dale Dobbs of Sextonville, Linda Prechter of Green Bay, Barb Clary of Ithaca, Gary Dobbs of Sextonville, Michael Dobbs, of Madison, Terry (Becky) Dobbs of Burlington; Josie's mother, Constance Garcia of Waukesha; Josie's 6 brothers & sisters, Mary Lou (Vern) Long of Cottage Grove, Francis Garcia (Wayne Schwartz) of Cottage Grove, Albert (Sandy) Garcia of Waukesha, Robert Garcia of Waukesha, Alex (Chris) Garcia of Waukesha, Steve (Wendy) Garcia of Whitefish Bay; many many nieces, nephews, aunts, uncles, other relatives and friends.

Preceded in death by Bob's parents; Josie's father; daughter, Shileen Kurtz; Bob's brother, Stanley Dobbs; brothers-in-law, Keith Prechter, Ron Clary.

Funeral Services will be held on Saturday, September 26, 2015 at 1:00 PM at the Clary

Memorial Funeral Home in Richland Center. Burial will be held in the Brown Church Cemetery with Pastor Larry Engel officiating. Visitation will be held on Friday, September 25, 2015 from 4:00 PM to 8:00 PM and also on Saturday from Noon until the time of service at 1:00 PM.

“ I met Bob at his Mexican craft shop. Over an eight year period I talked with him many times. I instantly liked him and looked forward to stopping by to talk. While he had many businesses his first priority was people and being a friend to everyone. I only knew Bob at his shop but I smile every time I think of him. He was a good person. I will miss him and I will always remember him.

My heart goes out to all the people in Bob's life and I am sorry for your loss. I know everyone who knew Bob is thankful for the joy and kindness he brought into our lives.

Last Sunday I stopped by his shop just to look at the Mexican pots in the front yard. Bob's youngest brother Terry stopped by and told us the bad news. We were very sad for his loss. In that very short conversation with Terry I saw the kindness and care for people that I saw in Bob. I believe being around Bob encourages all of us a be kind and loving to our families and friends. Thank you Bob.

“ *My sincere condolences to the entire family, especially my childhood friends, Tori and Brook.*

About 5 years ago, I was visiting the Austin, TX area and staying with my cousin Mike (Tennant) and his wife. Mike and I went to a bar (Friends) in downtown Austin to listen a band fronted by RC native Eric Tessmer. When we arrived, the bar was pretty empty. I glanced down the long wood bar and thought the lone gentleman looked like Bob Dobbs (it was because it was Bob Dobbs!). In fact, of the patrons in the bar at that moment were nearly all from Richland Center. They included me, Mike, Bob, Jose, their daughter Bobbi Jo, Eric Tessmer, and Eric's girlfriend who was from RC. Mike and I had a lively conversation with Bob, one I will always remember.

“ Josie always had a smile on her face. I remember when our girls were young, Bobby jo would come to our house and was always so well mannered, funny, and fun to joke around with. I met Josie through our daughters being friends. I remember the first time I met her I dropped my daughter off at Josies house for a sleepover. Josie came outside, we talked and laughed for quite awhile, I saw then where Bobby jo learned her great manners and outgoing personality. I was never worried about my daughter when she stayed at Josies house. I am soooooo sorry for the unbelievable loss of Robert and Josie. Two great people taken way too young. God bless this great family.

They were so kind, and always laughing at us (probably rolling their eyes), but they embraced us through those teenage years. Memories I will never forget. “ I would like to express my deepest sympathy to the families of Bob and Josie. They were awesome people and will be so missed not only by the family but by the community. May you cherish all the many wonderful memories that have been made through-out the years. They are together in heaven watching over all of you.. I remember many years ago working with Bob at the Airport Care. His Mom, Juanita, worked there also. Many memories were made. They were so much fun to work with...No matter where you saw Bob and Josie they always had a smile.....Prayers for all of the family.

“ To the family of Bob & Josie ... our sincere sympathy at this very tragic time. They were both such vibrant and full-of-life people that it's hard to imagine this could have happened. You are in our thoughts.

“ Remember Bob from when I was very young, grew up with some of his family and he always was kind. Remember this year when we bought a new Harley our first ride was to go to Steele Horse and show Bob. So hard to believe they are gone. Live and hugs to all their families and many, many friends. A special hug to Ma Dorla Hardy too, I know how bad you are hurting right now . Love you all so very much.

“ My sympathy to the Dobbs and Kurtz family. I remember sitting with the R. C Wrestling Club when my son Mark was wrestling along with Cory, Brook Troy, Travis and many other R.C. and Ithaca boys were in grade school. I probably will not get to the services as it is Ithaca School fair weekend and I work with the entries and premiums.

“ I remember when I was a little girl (about 11 or 12 years old). My parents (Richard and Anna Dobbs) had taken us kids to our first dance ever. I was very awkward and shy then and felt terrified of the crowd of people. Robert must have noticed this because he suddenly stopped talking to my dad and asked me to dance. It was my first time dancing in public and my first time ever dancing with a guy. He was so kind and sweet with me and made me feel like I belonged. I have often thought of that dance and smiled since. I never knew if he understood how much that act of kindness and warmth meant to a little girl. I will miss him dearly.

“ I'm so very sad and sorry to hear of the deaths of Bob and Josie. My heart goes out to you Brook, having lost my dad to a sudden accident. I know how raw the emotions are at this time. May you find peace in the wonderful memories you have with both them. I know they were very special relationships. They were both kind, good people to me whenever I had the opportunity to be with them. And they were fun to be with! May they rest in peace and may you and your family find peace and comfort at this time of terrible loss.

“ So sorry to the whole family for loss of Bob and Josie. Ever since first met them at Steel Horse they were beautiful and took me into their "family". They always made me feel welcome and never an outcast. I just cannot put into words how much they meant to me. Brook...it is hard...I have lost both of my parents but just keep the faith. They are in a better place..They are watching over you. They would not want you....If you need anything...you and Shelley get ahold of me.

“ Words cannot express our deepest sympathy for the loss of my cousin, Josie and her husband, Bob. Two beautiful human beings which will be sorely missed by all. Died together as they were the light for each other. May they rest in peace, taken far too soon from this world. We love you.
