“ Great aunt Ruby was a person who always told it like she saw it. She never held back and you always knew where you stood with her. I guess that is what I loved about her. She was also had a wonderful spirit that will be missed. She would tackle any alteration to any outfit and never blinked an eye. She loved family and always offered a helping hand. Although her body wore out her mind was as sharp as a tack. So many memories and stories she could tell. She will always be in my heart and I feel privileged to have known her. My deepest sympathies to her family.

Love you Ruby

“ Ruby was a very special lady to our family. When I was engaged to my wife Beth (and a Pastor at the Beulah Wesleyan Church) - she graciously opened her home for Beth to stay there on weekends so we could see each other. She managed and served the food for our wedding reception (about 400 people). Our four daughters will continue to cherish the creative quilts she made for them when they were little. Our sympathy and prayers for all of you. You will be missed great aunt Ruby!
