“ To Rudy's Family,
Bob and I send our deepest condolences to all of you. We were out of town when we heard the news and we were both shocked. I often saw Rudy walking to the hospital early in the morning for the exercise class. He was such a devoted family man, loved his Bonnie, his children and his grandchildren deeply. We are so sorry for your loss.

“ Annie and I send our deepest sympathy to the family of Rudy Laue. I have so many memories I hardly know where to begin. Some memories include spending time in Muscoda, working at the double cola plant, and just having a great time growing up in Richland Center. Even though we went through a very difficult time together Rudy remained a devoted friend. After we moved to California we didn't get to see Rudy and Bonnie very often. But on our trips to Richland Center we spent hours talking about old memories and making new ones. We had a great time watching his grandkids games and going to a tractor pull. Like so many have said he was a wonderful husband, grandfather and dad. He was like a brother to me and I will miss him so much. Mike and Annie

“ *I remember Rudy from the early days of the roller rink. Those were great times of skating and racing go-karts with Mark and Chris. Beth and I skated together as a dance pair for a while. Rudy was always around the rink helping us "kids" with skates or go-karts or whatever. My condolences and prayers to the family in this time of loss.*

“ *When it was announced in Church Sunday morning that Rudy had passed away there was a spontaneous, collective, audible gasp. Rudy was unique and special and was my dear friend for 49 years. I realize today that a delightful source of laughter and joy has gone out of my life. We have always loved RC since coming there to minister 49 years ago, and a big part of it was Rudy and Bonnie. I was minister at Park St. 1964-1968. I preached there Sunday morning and it was the first time Rudy wasn't there. Very sad but richly blessed with wonderful memories.*

“ Bonnie, Beth, Mark, Chris, Sarah and families-

Just a note to say how sorry I was to hear of Rudy's passing. What a joy it has been to be his friend over the years. I last spoke with him just prior to leaving on my vacation July 7th. Wish I could have visited with him again. We always had much to talk about, and high on his list was his grandchildren. He thought so much of you. Of course you've all done so much to make him proud, but he absolutely loved coming to your events, and sharing your lives with those of thus who would listen. I enjoyed Rudy. He loved his family. You were very fortunate to have him as husband, Dad, and Grandpa. I was fortunate to have him as a friend. Life at the bank...life at wrestling meets...life at area sporting events...won't be the same without him. I've so enjoyed the slideshow of pictures you've shared with us. Treasure them. Treasure him. And store up treasures in heaven so you'll see him again! May God wrap his arms around you and give you peace.

“ To Rudy's Family,

I know you will miss your Dad and Grandpa very much. The community will miss him too, because he was a wonderful man.

I really got to know Rudy when I worked with him at the Post Office. He was always my go-to guy if I had any problems, and I don't think that there were many sporting events at Ithaca that I didn't see Rudy at. He loved sports, but mostly he loved watching kids sports. He was always very proud of his family and talked of them often.

I will be thinking of you all as you go on without him. May your memories sustain you in the times to come.

“ *I would like to express my condolences to the Laue family. I fondly recall Rudy's "presence" at the Roller Rink back in the 70s and 80s. In a calm but effective manner, he kept us (me, the Clarson gang, Mark Schmidt, etc.) in line. I think Hank had simply given up! (not that we had a tendency to misbehave). I also remember Rudy as a consistent presence at sporting events in which I (and in those days Sarah) competed. I always appreciated our conversations and his sense of humor, which lives on in his kids.*

“ How God Works

I have been looking for Gloria Miller for about 20 years and couldn't find her. On Sunday an obit was sent to Joyce from a former co-worker. The obit listed Gloria Miller as a sister that lives in Richland Center. On Tuesday I called Gloria but no answer. On Thu morning I got a call from Gloria but it was the wrong person, but told me there was a Gloria Miller that lived in Muscoda. I call that one and it was the correct one. The person I've been looking for 20 years was found on Thursday morning. During our conversation she asked me if I was going to the funeral. I said no, who's funeral and she told me your dad. I was shocked.

I live in the Branson, MO area during the summer and still run the rink in Portage in the winter. January starts my 41st year. Anyway when Gloria told me I just had to call the funeral home and hoping one of the children were there, and yes Sarah was. It was nice talking for a few short min. I hope Bonnie is doing good the rest of Rudy's children and grandchildren are doing well also. He may be gone from this world but went to a better world and even though he is gone he will live in your hearts forever.

God Bless your whole family

PS I will never forget all the fun I had teaching you kids at your family roller skating rink.

“ I recall many times at Bible Baptist Church when Rudy would join me with a group of men to sing random hymns in our evening service. He enjoyed singing many of the old traditional worship hymns and he always had a favorite hymn picked out to sing when we had singspiration times in the service.

“ Condolences to Rudy Laue family, Rudy was a special husband, father and grandfather he was a true family man. His son Chris said it best “Rudy was his grandchildren's biggest sports fan”. Rudy accomplished a lot in his short time here. I enjoyed my visits with Rudy and Bonnie over the years watching his family grow. His Life Images were very special what a great family he has and what a positive role model, inspiration for his family. Rudy's will last for eternity by those lives he impacted in his family.

“ I got to know Rudy when we printed The Dodgeville Chronicle at the Richland Observer. He knew my love for baseball so we often talked about high school and Home Talent. I found Rudy a very nice man with a great sense of humor and wonderful character.
I later ran into him often while covering or coaching a game. He made it a point to look me up whenever I was in a gym or baseball field where he was.
I did not realize last spring when I saw him before the Richland Center/Dodgeville game that it would be the last time.
I will miss him but I am thankful I knew him and will have great memories to carry with me.

“ Rudy was such a great person. Al enjoyed being in the "Get Up and Go " class on Monday, Wednesday and Friday mornings. There was 8 of them and they would work so hard exercising and then go down to the coffee shop and have cookies and coffee. I do not think Rudy had an enemy in this world. He had such a wonderful sense of humor and was always smiling. May you cherish all the wonderful memories that you have shared over the years. Our deepest sympathy to Bonnie and the entire family. “ I babysat for the kids and ironed for the family while I was in college. I also worked with Rudy at the Richland Observer stuffing papers one day a week. I had just visited Rudy last summer. We talked about the times I watched the kids. One memory that we both remembered was the time that Rudy and Bonnie went to the wrestling tournament in Madison and I watched the kids for the weekend. “ Yesterday I lost a very good friend. I loved Rudy not only for being a great guy but for taking very good care of my best friend, Bonnie. When we lived in RC, he would come by with his old car and give my sister and I rides....showed us where his family lives around the area. When i would go visit Bonnie, he would be so entertaining with his down home humor. He made my sister and I laugh so hard sometimes we would talk about him all the way home...and laugh some more....When I had my knees replaced he was always there to pray for my pain....now my pain is tremendously more and you aren't here to help me get over my sadness in my heart....I truly loved you, Rudy.....give God a little laugh today. We will watch over Bonnie for you....and give her a peck from you....Rest in Peach.
