She Was There by Duane Jaeger,

When a calming, quiet presence was all that was needed, She was there.
In the excitement and miracle of birth or in the mystery and loss of life, She was there.

When a silent glance could uplift a patient, family member or friend, She was there.

At those times when the unexplainable needed to be explained, She was

there.

When the situation demanded a swift foot and sharp mind, She was there.

When a gentle touch, a firm push, or an encouraging word was needed, She was there.

In choosing the best one from a family's "Thank You" box of chocolates, She was there.

To witness humanity — its beauty, in good times and bad, without judgment, She was there.

To embrace the woes of the world, willingly, and offer hope, She was there.

And now, that it is time to be at the Greater One's side, She is there!

“I remember Ruth and the Anderson family from my childhood. She was such an icon in Willow Valley, Ithaca Township, Richland County, and beyond. She was blessed with many talents, which she shared generously with the community. Sincere condolences to all of her family and friends. Her memory is indeed a blessing.

“ It's been said sooooo-oooo many times what an angel Ruth was. Her caring for her family, neighbors, friends and community was 'Over The Top'. I'm hearing this and many more stories from Larry and his days of being with and working with the Anderson family... (something even came up about a mini-bike and Kenny!! and milking cows with Susan - apparently there MANY great memories were made at Andersons and Mannings!!)She definitely made an impact on lots of people. We send our thoughts and prayers to all of the family. Hugs to you.

“ My sincere sympathy to Ruth's family. I first met Ruth when I was in grade school. I was invited to a slumber party at her house, invited by Jane Connors. She was a caring and loving person. She will be missed, but left so many great memories. I, too, was jealous of her beautiful garden and flowers, how could she keep up with it and all the other activities that she volunteered her services. Rest in peace, Ruth.

“ Ruth was our nurse when our oldest son was born in the hospital. She was up late talking with us and her calm presence made us feel so at ease. Every time she saw my son, she would remind him that she remembered when he was born. Ruth also made people feel welcome at church, and she took charge of signing kind messages on cards and handing out homemade banana bread and coming up and giving a warm welcome to anyone who was new or she hadn't seen in a while. She was a lovely and generous person. We need more kindness like hers in the world. Dawn, Darrick, Jonah, & Caleb Marchwick
Our thoughts and prayers and love remain with Neil and all of Ruth's lovely family.

“ My sympathy to all the family and friends of Ruth. She was a very kind and caring person and will be missed by many. After graduation from Ithaca, I moved from the area to attend college, but I do have fond memories of attending the Ithaca homecoming where I saw Ruth. On those occasions she was always pleasant to visit with and always had an interest in how life was going for me. My prayers go out to Neil and the family. Tom Sippy

“ Ruth was such a wonderful lady. My kids still talk about how nice Ruth was riding the bus to and from track, volleyball, football and other activities at Ithaca. I always loved driving by the house and being jealous of Ruth's garden. Our thoughts and prayers are with Neal and the family. Such a loss for the Community - she will be greatly missed.

“ *The Andersons were one of the families that 'adopted' me when I came to teach at Ithaca - my first teaching job. Between Ruth and Alice Richards, I always had a place to have dinner or join a celebration. When my son Derek was born, Ruth was one of the nurses that stopped in to greet him. I have many good memories of Ruth and my 'extended family'.*

“ *In 2001-2002, I stayed at her place as an exchange student, and she'd been my mom in the US since then. She gave me a sense of security and comfort because I knew there's someone in this world (more than 6,000 miles away from Tokyo!) who loves me unconditionally. We'd been exchanging gifts every Christmas and some other occasions, and we have so many items with her memory at our place in Tokyo, such as many cushions and towels embroidered by her, pictures of Anderson family, and lots of cards full of messages from her.*

I've been feeling like I have a big hole in my heart since the day I got this tragic news, but at the same time, I am so thankful and honored to be able to love her and her family.

“ So many years of memories working with Ruth at the hospital, and seeing her so often after she retired,,
We knew her laughter, her faith, her sense of joy, and know she shared with so many others that sense of belief and hope and faith and trust that she shared with us.

We send our condolences to all of you, her large family, knowing that you each in your unique way, will always carry that spark in your eye that was gifted to you by her.

Despite this tragic event that is a shock to all, we know that she, as well as you her family will all be united later, and for this side of life you will in time, be comforted and blessed by so many treasured memories.

WHEN I WAS A BABY RUTH HELPED MY MOM ND ME WHEN I HAD MY BABIES AND WHEN MY MOM HAD ME RUTH WAS A WOUNDERFUL LADY AND NURSE SHE WILL BE MISSED DEARLY

julie fish - May 30, 2022 at 12:09 PM

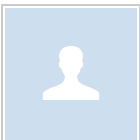

“ Ruth was my mom's cousin. Every year we would go to Richard Center for Thanksgiving and deer hunting. I remember Neil and my father all in orange standing in the driveway with deer hanging in the trees. I can still hear Ruth (she had such a distinctive voice) calling us in for supper.

One year we were there in the summer and of course we had to go swimming. So, Ruth took all of us kids (and there were a lot of us) to a creek to splash around. I was 10 and Ruth was 8 months pregnant with her youngest, Kenny. I wandered off and stepped into a drop off with a current. I was flailing my arms but sinking fast. Ruth saw me disappear, she took off running, jumped in, grabbed me by the neck and pulled me to safety. I know that I would have drowned that day if not for Ruth's quick thinking and courage. It takes a special kind of woman to do that, 8 months into pregnancy! But that was Ruth. God worked miracles thru her and she touched so many lives for the better. Even thou her time in my life was very brief during my childhood I was always be thankful she was there.
