“ We knew Ruth through Herb. What a lovely committed couple. We are so sorry for your loss, once again. We can see them on that yellow bike once again. Thinking of you at this time of loss.

“ So sorry and yet I know she is now with Herb. The last time I corresponded with her she was glad to be near family but missing Herb greatly. I worked with Herb for many years and met Ruth during that time. They were very special people.

“ I can't just think of 1 or 2 memories, because my Gram was at everything! School activities, hospitals (birth of a baby, or a problem), parades, musicals, teaching us how to drive in her car, birthday parties, sky-diving, holidays, sports, graduations, ice cream dates, numerous fun times in Wisconsin Dells, park-hopping...etc. That is what I personally will miss the most. She was the family's lil support group. When no one else seemed to care, or people were too busy, Gram was always there, and early. She loved her family with all her heart. And her family loved her so much.

“*Herb and Ruth were my best friends for many years and I miss them both dearly. I couldn't even begin to count all the good memories I have of the three of us spending time together. The attached picture is from our motorcycle trip to northern Wisconsin and the Michigan peninsula last summer. I'm sad that we can never do this again yet I'm so grateful that we did it while we still could.*

Nevertheless, I feel relief when I think of the two of them reunited up in Heaven. If they have access to a trike I have no doubt they are touring their new area. They both are gone but will never be forgotten.

“*Ruth and Herb were a loving and warm couple. I loved that they just took off on their "Tweety Bird" across the country and shared all their photos with us on Facebook. Ruth and I are the same age, so we had many good talks about our lives and she was always grateful for her family/friends. Since I live so far away from WI, we sent lots of e-mails to each other.*

I'm comforted to know they are together again as angels. They joined us for many family events in Iowa over the years, they were "family".

“ *I remember Ruth as a very hard working, reliable, friendly face when she and I worked together at the Country Kitchen many years ago. We became close friends during those years and regretfully, we lost close touch as the years passed. I have thought of her often however, and will never forget her smile, her thoughtful advise, and her loyalty. Godspeed Ruthie.*
