

Sgt. D. Hoover

October 9, 1987 - April 29, 2012

SGT Curtis D. Hoover, age 24, died suddenly on Sunday, April 29, 2012 in Clarksville, Tennessee. He was born on October 9, 1987 in Fort Huachuca, Arizona the son of SFC Stephen Hoover & Sheryl Dennison. Curtis moved to Albion, Indiana and attended Central Noble Middle School and later moved to Wisconsin and graduated from Kickapoo High School in 2006.

Curtis Served in the U.S. Navy Reserve as a Seabee and then joined the U.S. Army on April 1, 2008. He served as a sniper in the 101st Airborne Division 2/327INF, "NO SLACK". Curtis was an ambitious, smart and creative soldier who above all loved his family and his country. Among his accomplishments too numerous to mention was a 2130 meter shot made while deployed to Afghanistan. It was the longest shot made that Deployment and the 3rd longest shot in the history of the Afghanistan war. Curtis had his roots in Indiana but quickly adopted the Kickapoo Valley as his home after moving in 2001. He is loved by all and will be missed.

Survivors include his father SFC Stephen (1SG Stacy) Hoover of Hillsboro, WI; mother Sheryl Dennison of Auburn, Indiana; 2 brothers SGT Corey Hoover & SGT Dustin Hoover both of Hillsboro, WI; fiancée Lacey Falk of Richland Center; grandparents Donald & Sue Hoover of Rome City, Indiana; grandparents Gerald Beshore of Costa Rica; Barbara Dubois of Los Angeles, California; and the soldiers of the 2/327th INF "No Slack."

“ I wish Curtis and I had more time but distance was a challenge. We talked to each other via FACEBOOK.
He is a loss to family and country. Very few in the world stepped up like he did and the world will weep for the loss of a great soldier and man he was.
He won't be forgotten. God bless him.

“ You were such a fun person to be around, it's been years but I always had fun when we used to sneak out in the middle of the night by the laundromat in Viola and walk around town past curfew, when you guys turned a stop sign around haha, we were all troublemakers! Riding in your big truck listening to ICP. Needless to say, when you were around there were always fun times to be had! You were a great friend back in school and your family is in my prayers. You'll be missed Curtis.

“ Curt,
You will be deeply missed. I will never forget about all the times back in high school. There was never a dull moment, no matter what we were doin. You could always make it interesting whether it was sitting around with a couple of friends while you told your in depth story. Or just taken a cruise up to Richland Center for something to do. You were the type of person I knew I could call day and night and no matter what time it was, you were always ready to go. You've never been the one to complain or talk bad about anything or anyone. You are the type of person I would want my son to be. You may not have lived as long as you should have but you left one hell of an impression on everyone you've met that will not be forgotten. You will be in my thoughts and prayers.
See you soon little buddy.

“ A few things stand out in our memories of a lot of time with Curtis, and Dustin, too. Meeting the new neighbor , Steve and his 3 boys in the summer of 2002. Watching the boys grow into their high school years. Their humble nature, and appreciation for simple favors. A favorite...they shared several rabbits with us that they shot during hunting season, saying they didn't know how to cook them. So we all shared a simple rabbit pot pie. They declared it the best meal ever! Curtis always did his best while working for us, but he had fun, too. He wanted to help us and others. The day after the Viola tornado, he drove a tractor and dump wagon the 7 miles to Viola to help with the clean-up and was dissapointed to be turned away. We found another way into town and he worked hard helping those that needed help.

It's hard to believe he is gone. He was doing what he wanted with his life. To Steve, Stacy, his mom and brothers, and grandparents, you are in our thoughts and prayers. We just are not meant to understand why these things happen, and it hurts. You have our deepest sympathy.

“ gotta remember when the Kickapoo girls made their trip to state. It was one of the regional or sectional games the the hoover boys brought that corsica up to one of the games. somewhere on the trip they lost dash lights and head lights and something else went wrong with that car. Well needless to say when that car quit workin it got shot at by just about everything in their weapon arsenal at home. You will be missed Curt, and my condolences to the family. “ Your son and mine shared many happy times at Fort Campbell - fishing, grilling out, "just hanging" . Andrew is the oldest of our four sons - but I think he might have said he had 5 brothers - he felt that way about your Curt. Curt was a good friend to a man whose friends are few and cherished. As a military family I know you've faced the possibility of losing a son in combat, and made peace with that. But this is harder somehow.....for everyone. Please know that your family is in our thoughts and prayers.
