“ Sharon was such an interesting lady. I met her while I was bartending at Ofinley's. A group of ladies would come in and visit in the after noons they always made a fun time and helped to pass the time with the stories they would get going on telling. I think everyone that walked in the door had to say hi to Sharon because they knew her some how. Rest in peace Sharon you were a lovely lady.

“ My sympathy to the family. I believe I went to school with Sharon, but I also knew her as the bookkeeper at Simpson's.

She will be missed by all her friends as well as her family.

“ Sharon was always waiting for me each Wednesday. She was always happy and so appreciative. She was a woman of a few words but she managed to let me know what she wanted. She hated the emory boards we used so she always brought her own file so I could use that. Her nails were so pretty when we finished and she would smile so. She always loved when I knew she had her hair done and would tell her how nice she looked.

You will be missed.

“ Sharon was an Aunt that I always knew was my aunt. As very young girl I know that she was involved in my life. When her brother, which was my father Robert passed away and my mother remarried life changed. Sharon came into my life again when she married Bob Simpson as we bought agriculture parts from the implement dealer. I must say she was great in Simpsons she always knew what I needed to get, because believe me I didn't know:) Many years ago she and Bob had a Christmas party for ALL of her family at their home and that was a memory that I will cherish forever, as it was a great party. I will always remember how her and Jackie looked so much alike. I remember thinking that from my childhood and how pretty Sharon was.

“ We had many good times together in the past, including dancing the polka together at Dayton Hills (with an occasional mis-step and mishap). Sharon was always fun-loving and generous with everyone. We are so sorry not to be able to attend her funeral, since we have to return to FL. It was a blessing and an honor to have been a part of her life and she will be missed.

“ Sharon was the first person I got the honor of helping at Our house. Even though she could only say a few words, she always had a lot to say. Her positive attitude was infectious and will be dearly missed.

“ Sharon was the most amazing woman and first resident that filled my heart. Sharon and I had so many laughs together, especially when I said I'd do her hair for her. (lets just say I wasn't her hairstylist of choice). Sharon and I had a very special bond that will never be forgotten. My thoughts and prayers go out to all that loved and were close with her.
