“ I'm really sorry to hear of Shirley's passing. When I stopped in to visit my cousin Larry some years ago Shirley was extremely cordial, quiet and courteous, and a good cook. She was proud of her accounting skills and a delight in conversation. Dick Johnson.

“ Shirley will be dearly missed. She has been a great friend to Mark and I for many years. We had lots of laughs in our discussions. Of course we probably thought we also solved many world problems as well in our discussions. She was always very generous with her time and friendship. We love you Shirley. Mark and Linda Lammers

“ Dear Larry and Family,
Shirley was one of a kind. So kind, generous and fun. (Loved her giggle). She was one of the hardest working people we've ever known. When we'd visit up in Hillsboro, we were treated like family. I met Shirley back in the '70's working at the Bank of Burlington. She was one of the "Door County Girls" as we called ourselves. So many wonderful trips and memories. We'd laugh until we cried! Shirley will always be a very important part of my life and we will always treasure her friendship.

I worked with Shirley at the Bank of Burlington and then went on to be one of the Door County ladies. What good times we had laughing & eating our way through Door County. Roger & I offer our deepest sympathy to you, Larry and your entire family. You were definitely the “love of her life”.
