“ I had the privilege of meeting Terry just a year ago. During our first visit it only took me a short time to realize that Terry was a man of character, and integrity. Terry and I had similar interests, and I thoroughly enjoyed the brief time we shared. I was very sorry to hear of his passing, and my sympathy goes out to his family and friends.

“ Terry really was a great guy. I am so sorry for your loss. I guess I had known him since the 70's.... I saw him last year at O Finleys and he talked about his daughter and wife, he was so proud. I had not seen him in many years, anyways I have a lot of good memories from back in the day.... He will be missed by many people. Rest in Peace Terry.

“ Terry was a very special and all around very nice man. He and my husband were buddies for a short time, but in the amount of time that we knew Terry, his presence in our life will always be remembered! Terry always spoke about Pam and his dog, Odie. He would often times have Odie along with him in his truck, right along side him. When Odie passed, Terry seemed so lost without him. I will forever be grateful to Terry for being such a good friend to Brad (my husband) in his recovery stage at home following a bad car accident involving a 3 wheeler in which Terry helped him rebuild. Terry was always there, always there to lend a hand. To have him in our life, even for the short time we did, our memories will always be cherished. My thoughts and prayers go out to Pam and the rest of his family.

“ We weren't particularly close, but Terry always said "Hi!" when I saw him and we would occasionally talk. We were in the same confirmation class and part of Richland Center's Class of '74. Another good man is no longer with us, and he will be missed. My thoughts and prayers are with his wife and family.
