

Terry "Ty" G. Tanner

September 19, 1948 - June 26, 2020

Terry G. Tanner

September 19, 1948 – June 26, 2020

Terry G. Tanner (Ty) passed away Friday, June 26, 2020, at Agrace HospiceCare in Madison, WI surrounded by his family. He was the second of five children born to William and Maxine Anderson Tanner. He was raised in Richland Center, attending his first two years of high school there before moving to Basswood and attending the last two years of high school in Muscoda where he was later inducted into the Riverdale Wrestling Hall of Fame. After graduating in 1966, he attended UW-La Crosse for a year and a half. At that time, due to a lack of funds, he was drafted into the Army, leaving for induction in Milwaukee on Valentine's Day, 1968. He received basic training at Fort Campbell, KY and advanced infantry training at Fort Polk, LA. He was sent to Vietnam in July of 1968 where he spent the next 366 days. He was the "gunner" which means he carried the M60 machine gun for his unit. He returned home and was stationed in Colorado Springs. He returned to Richland County to marry his high school sweetheart, Sharon Melby, on September 21, 1969. They lived in Colorado Springs until his discharge in January 1970.

At that time they moved to LaCrosse where Ty finished his general studies and then enrolled in the UW-Madison School of Pharmacy program. He

graduated in 1974 and worked at a pharmacy in Reedsburg. Their first child, Luke, was born in 1976. In 1978, Ty and Sharon purchased the Nalepinski store in Muscoda and established the Tanner Pharmacy. Their two daughters, Emily and Hannah were born while they occupied the living quarters above the store. Ty felt a sense of pride in bringing back a pharmacy to the village of Muscoda. They were in business and in the Muscoda Chamber of Commerce for 25 years. Ty also served his community as a member of the Lions Club, the American Legion and a volunteer for the Muscoda Fire Department.

Ty's interests were many and varied. He put up a windmill, raised sheep, had a mule and beehives. He was a very talented chainsaw woodcarver. He donated many of his creations to the community. His works are cherished by those lucky enough to have received one. After his family, he loved the outdoors in any weather or setting, but perhaps the river was his favorite. He was a serious fisherman who fished hard. He shared his knowledge of the water and the woods with his children and anyone who needed it. His interests led him to acquire a Hovercraft, even performing a rescue with it. Ty was a gentle soul who spoke with a low, soothing tone. It had a very calming effect on those listening to him.

Ty was honorably discharged in 1970, but the war did not end for him. He carried the images and sounds of Vietnam with him for the rest of his life. Agent Orange contributed to his health problems. In September of 2019 he went on the Honor Flight to Washington, D.C., accompanied by his daughter, Emily. It was a very full, tiring day but meant so much to him. The welcome home he and his fellow veterans received was long overdue.

Ty received many medals and commendations, the Combat Infantry Badge, Purple Heart and Soldiers Medal for Heroism to name a few. He rarely spoke of them or his experiences in Vietnam.

He is survived by his wife Sharon, son Luke (wife Angela, granddaughters Freya and Finlee, grandson Clay), daughters Emily (fiancé John), Hannah (fiancé Brian) and sister Cindy Knoble. He is further survived by many sisters-in-law, brothers-in-law, nieces and nephews.

Ty was preceded in death by his parents, brothers Robert and Richard and sister Sandy Bailey.

Toward the end of his life, Ty wrote the following:

“People who knew me,
Well I finally took the trip. I won’t cry and you shouldn’t either. My life was great. I spent fifty years of my life with Sharon nee Melby raising three children Luke, Emily and Hannah who always made me proud. “

Due to COVID-19 a Celebration of Life will be held at the Tanner home in Gotham at a later date. The Clary Memorial Funeral Home in Richland Center assisted the family with arrangements. www.clarymemorialfuneralhome.com

“ I was lucky enough to work with Ty and had such a good time with him. I was fortunate to receive one of his chainsaw bear figures. I still have it and will cherish it. Rest in peace friend.

“ My sympathies to all of Terry's family. I was in the class at MHS with his brother Dick. I think Terry, by himself, improved the W-L record of the Muscoda wrestling team by about 400%! As I told my wife tonite when I learned of Terry's passing, he was the all American "boy next door." He was athletic, handsome, intelligent, but most of all, he was just a really nice guy, I know my folks liked when he'd stop in to ask to go fishing down on Kendall Lake. They appreciated the respect he showed them and his willingness to "shoot the breeze" with a couple of old people. The world needs more people like him. Again, my sympathies---

“ Dear Sharon @ Family,
Sending warm sympathy in the loss of your
Dear Husband, Father, & Grandfather. It is
wonderful you had so many years of married
life together. Your former place of business
and home looks so sad on the main street of Muscoda. It was nice
you were able to have a business there in former years helping
folks. Special thanks to your loved one in the service of his Country
and what you had to endure due to things that happen in military
service. Thanks for helping to preserve our freedom in this land.
May the special memories that you each have help to ease the
sorrow. It has been a LONG time since we have met Sharon. I recall
Terry in high school days.

Warmly,
Charleen

“ I recently saw this online. Sharon, you may not remember me but we lived up the road from you in Reedsburg back in the 70's and 80's. We used to get together and I used to fish with Terry and worked at the clinic with him. I know exactly what you are going through. My wife, Linda, died at Agrace Hospice in Fitchburg June 23, 2020. I wish we would have known you were there. Sharon, you and your family have my deepest sympathy. Terry was a wonderful man and past friend.

Hi Jim My sincere sympathies to you and your family. Ty was in the Lancaster nursing home for a year and the last 3 months we could not even visit him. Agrace was a godsend for all of us to be able to hug him. He lost his speech a month or so ago but he knew we were there. It is very difficult to lose your mate but Ty had lost his quality of life and all of us told him it was time for him to let go. He fought so hard but couldn't win this one. Take Care and thank you for the memory.

“*Sharon, Luke Emily, and Hannah my thoughts are with you all . You both where so good to me when I watch all of the kids for you and Ty. I didn't realize that Ty served in Vietnam . You two have been together for such a long time . You two made such a great pair , I always thought that about you both. I will never forget how good you both where with Luke, Emily and Hannah . Always taking the time out of your busy schedules during the day and coming upstairs and spending time with the kids for awhile and playing with them before returning back to work . My thoughts and prayers are with you all. Ty was a good man and really did love his family. What great memories you all share of your husband , father grandpa and friend. May you rest at peace Ty.*

Kim Thank you for your kind words. It has been a long time since we have seen you, I hope your life is kind like you are. Our Ty was a good man but just could not get better. He was in the nursing home and we could not even visit him for 3 months. When he got to Agrace the family could finally give him a hug. He lost his speech and it was very hard on him for the 8 days he was there but the care was marvelous. We told him it was time to get to Heaven. Yes rest in peace.

“ I will always remember Ty as a warm and wonderful person of the highest caliber. He always had a smile on his face and a twinkle in his eye... A clever wit and dry sense of humor. It was an honor to know him and to have him as part of our family. He will be missed by us all. So much love going out to my sister Sharon, my nephew, nieces, and the entire family. Prayers for strength during this most difficult of times... 💖🙏😭
