“ So many wonderful memories come to mind of the closeness of our families when we were young children, living on farms a little over a mile apart. Our parents remained close after the Zarndts moved to Mt. Horeb. Although we grew far apart by distance over the years, I will always remember my friend Tom. The Zarndts, now all in California, send their condolences.

“ I am sad to hear of Tom's passing. I went to school in Verona with Tom and graduated with him in 1974. The words you chose to describe him were so fitting as I remember him "selfless and wonderful". He made a very distinct impression on my young mind at the time of being a very gentle and kind soul. My thoughts and prayers are with his family.

“ I called the Cattle Center to talk to Tom this morning, and Bill told me that Tom passed away on Sunday. I called Tom for cattle values and always received straight forward and honest values, as Tom generally knew everyone that owned cattle in this area. Bill said that he started to call the Mt. Horeb area "Paradise" because of the way Tom referred to the farming families that live there. He will be truly missed. My thoughts and prayers go out to Tom's family.

“ Though I only knew Tom a brief time, we had many talks. The talks centered around his love for his family and friends, with much laughter in between. My thoughts go out to you at this time. It was a gift witnessing the love you all had for each other.

“ I'd like to extend our sympathies to your family from the Miller's in Rice Lake. Years ago, when we visited Charles and Ruth's home, I do remember the kids running around and riding a little toy tractor. Charles and my Dad Stanley Miller (Be) were first cousins. Our family had the Miller's Cheese House in Rice Lake. We did see Ruth and 3 of her kids at the Miller reunion at Edith and Butch's place 9 years ago. Tom sounded like one great guy who enjoyed life. Our thoughts and prayers are with your family. Marilyn Miller Saffert, Rice Lake

“ Words seem so inadequate right now, but Cole we know you are strong enough to endure this awful time. We have watched you overcome so many seemingly insurmountable tragedies in your young life, so we know you will make it through this. Your dad was a sweet, giving person who loved you so much. Take comfort knowing he and Chris are watching over you and the girls. He will be missed very much. If you need anything, please know we're here for you. Sending love and hugs to you and the rest of the family.

“ Dearest Cole.

Words are never adequate at these times. So know that the tears that are shed are for the late night haircuts after dad was done with work, for his shared concerns for you his son, (a hair stylist learns a lot) and for the privilege I had in knowing the new neighbor in our little town of Ithaca many years ago. Love always Deb Niemeyer-Little Willow Beauty Salon.

“ Tom was my second dad. He was always there for me. I learned so much from this man. He not only made my mom happy, but made us three girls happy and loved us. He also gave us a second family. I don't know what I would have done without Tom. He was an incredibly amazing person. I'm so glad we were a part of his life and have grown to be apart of his family.
Love you to the moon and back Tom
