“ Vicki was the one who recruited me into Sweet Adelines. I think I was a member of the quartet "Patterns In Sound" even before I became a member of the Viroqua Harmonettes Chorus. Our quartet was together for many years. We loved singing barbershop harmony, competing and entertaining. We spent at least two evenings a week together practicing barbershop and then on many, many weekends we took our singing talents out on the road. Vicki was the emcee for the group and always knew just what to say. Our crowning achievement was earning eighth place at International competition in Phoenix, Arizona. We often said that we should write a book about all of our adventures. We made wonderful memories that I'll never forget. I was able to visit with Vicki about a week before she died. We had a great conversation which ranged from old times to what our families are doing today. I hadn't seen Vicki for about a year, but we talked like it was just yesterday since we had spent time together. She was more than my friend; she was like a sister to me. You'll be missed Vicki! Love Ya!

I spent much of my childhood watching and listening to you all from our living room (mostly). I can still hear you singing "Mary was a little old fashion..." (made me think of Grandma Wicks), "Jeremiah was a bullfrog...", and "Chariot swing and let me ride...". I got to see the "behind the scenes" rehearsals, dress fittings, stage make-up application (loved watching the eyelash setting), and wig fixing. I was even in your shows (by default of mom). Aunt Vicki, mom, June, and yourself will always hold a special place in my heart and memories.

I remember Vicki, Doc, & the rest of the family as I was growing up. They lived across the back 40 from my family. Vicki & Doc at different times were my bus drivers. Later when I became a driver, Doc was there again & I had a connection to the Carters again. I am sorry to hear that we have lost a beautiful lady in our community, but God has gained a lovely Angel. I will keep all of you in my prayers to help ease your broken  hearts.
