“ Even if i had or knew the right words, they wouldn't do him the extreme justice and respect that I have for this man and his family. This man was truly and angel sent from heaven, and now called back, for his mission on earth is finally completed.

“ Vince was a "family" man. Not just to Carol and their children but to his extended family and friends. God's family was very important to him and filled his life in helping others, physically, emotionally and spiritually. He will be extremely missed by all who's lives he touched. God will be watching over his soul.

“ Vince is one of the most incredible people I have ever met! He and his VIM

team from Wisconsin came to The Ozarks Methodist Manor retirement community and built a Pavilion for us to have outdoor events with shade

fans and lights and it is beautiful! They did many other projects and brought money to help with the projects. Most importantly Vince touched everyone's life in one way or another. His integrity, skills, spirituality,

love, care, gentleness, patience hardwork, made such a difference in our lives. It was a joy to be in his presence. It was so easy to see Jesus in Vince.

His picture remains on my desk at work and everytime we have a picnic or event we think of Vince, Carol, and the team.

We all loved Cousin Vinney and Velma! Our hearts go out to you, Carol and family, in your deep loss.

I would have loved to be able to come to the service, but my 88 year old mother has been in the hospital in Branson for fifteen days.

Vince , You truly knew how to love others and taught us so much.

With love and prayers,

“ You have our sympathy. Vince was a wonderful man. Giving to others in so many ways. He is now enjoying the fruits of his labor in heaven. I am sure he is also helping others with their projects there, as he was never one not to be busy. God's blessing to all.

“ I am so sorry to hear of the passing of Vince and offer you my sincere condolences. Vince was a very important person in my life. I respected and appreciated him more than he could possibly have known. He believed in me and supported me as I began my career as a school superintendent in Highland. He was kind and considerate, gave me sound advice and loads of encouragement. He always ended our numerous phone calls and personal meetings with, "Carry on!" and I did my best to live up to his example. I am currently writing a book of my life, a memoir of sorts, and have included a tribute to Vince Ramsden in recognition of how important he was in my life.

“ One thing that has forever etched in my mind (ears) are the singing presentations Vince and Carol did at the Avoca Methodist Church when I was growing up in the Town of Pulaski. Also remember the days when Vince took us youngsters when going to church catechism on a field trip to the famous rock below his farm.

Rest in peace Vince. I send my condolences to your family.

“ Carol and Family. I have many fond memories of Vince from church in Avoca when I was a boy. I enjoyed his sense of humor, Vince always had a twinkle in his eye and a joke up his sleeve. I guess the best we can hope for is to be remembered fondly and in that Vince succeeded. Condolences for your loss.

“ Vince was a great role model for doing the Lord's work, a friend and mentor. His enthusiasm for VIM was so contagious that many have been bitten by the bug and go on multiple trips per year We will miss him but know he is in God's hands now and at peace.
