“ Words can't express the sorrow and sadness I feel about the passing of my Aunt Virginia. She was such a kind, caring person. I remember all the Sundays my family and her family would get together for lunch on the farm and we would play football outside and watch the Packer games together and all of the hunting adventures we had there as well on weekends in the fall. Aunt Virginia always loved seeing you stop in to say hi or have you sit down for a bite to eat. I will miss her as we all will. She is in a much better place now and we can find peace in that. “ *My deepest sympathy to all survivors! I gave my life to Jesus & was baptized under the preaching of her father, Lester Gudgeon! My first memories of Virginia are of husband Berlie & her singing "specials" in church while she played the guitar! Good memories of my cousins! May God comfort you all! Betty Wallace Kenworthy*
