“ *John, Mary Beth and David-*

So sorry to learn of your Dads' passing. My parents, Lee (Smitty) and Maralyn (Babe) Smith were longtime friends of your folks. I remember visiting their home MANY times. There is a photo on this site of Uncle Brad sitting at the kitchen table with his dog. In the background you can see the wallpaper w/ the little mexican man in a sombrero- I remember that.

Several years ago my sisters (Nan and Tricia) and I stopped and saw your Dad at home while we were in Big Town setting flowers at our folks graves. After we told him who we were he shared some great stories of when he, your mom and our parents were all young. Priceless.

Again, so sorry for your loss.

“ John, David and Mary, Your Dad, Brad, was one of the many people from R.C. that I remember with great fondness! Having Brad and your Mom, SIs, as neighbors reminds me of how 'neighbors' should be. Kind, generous and always there to help out. Playing in the back yard, climbing trees, wandering in the woods, are the memories that bring smiles to me. I think our parents tolerated a lot from us! Watching your Dad working in the back yard, and all the trees he had planted and all the gardening he did! He got me going on vegetable gardening and thanks to him, it's still an important part of my family life. I remember him as kind of a stern, no nonsense kind of man but he could also laugh and show his warmth with ease. I am sad to hear of his passing but the pictures you've posted show how much he enjoyed his kids and his grand kids! Although I can't be there to celebrate his life, know that he and you are all in my thoughts and prayers!
