“ It is with deep regret that I just learned of Williams's passing. I had wonderful times with Miriam and Bill and knowing that they are not together is heartbreaking. Know that the entire family is in our daily prayers for continued strength and guidance.

“ I was so sorry to hear of William's death. William was a pillar in the Sandusky United Methodist church and in the community. I believe he and Miriam sang at my father's funeral. I appreciated his musical talents. Before William's stroke, he drove for the Amish. I felt that showed his acceptance of people in the community regardless of their religious differences. He and his wife accepted my mother into their home for 7 years when she was too old to take care of herself. That too is much appreciated.

I share your loss.

“ I watched Bill and Mariam raise their family and was always impressed with the good behaviour of the kids. Bill was a prominent fixture of the Hillpoint/Sandusky area.
